

Barring records check. The current cost of this is £44 and will be met by the applicant.

Important—Please be aware that the roles for which you are applying are exempt from s.4(2) Rehabilitation of Offender Act 1974, meaning no conviction is classed as 'spent' and any conviction/bind-over/caution/reprimand/warning **MUST** be declared during recruitment in order for the organisation to make an informed decision as to whether it may affect your application for employment.

Many people are surprised and unaware when action from minor offences from many years ago are documented on their DBS Disclosure upon its return. We strongly advise you to disclose any dealings with the Police or other official bodies no matter how minor or long ago so that we can discuss these before you have paid for your DBS check and we have completed all of our paperwork.

If you fail to disclose something that shows up on a DBS, your offer of employment is likely to be withdrawn as honesty is very important. Any information you disclose will remain confidential and will only be considered in relation to your application for employment.

#### About Us

Established in 1995 and now part of the Optimo Care Group, we provide vital care and support to a wide variety of people within our local community, offering them an individually tailored package that is centred around their own capabilities and requirements.

We work throughout the Sefton area providing services to over 500 service users, assisting them to live as independently as possible, promoting choice and life skills from anything as little as half an hour a day to 24 hours supported living. Wherever possible we like to include our service users and their families in our recruitment process, inviting them to take an active part in interviews and further assessment of applicants.

Our current service user groups include:

- Learning Disabilities
- Physical Disabilities
- Mental Health
- Behavioural problems
- Older People

Care and support takes place in both the individuals home, day centre or out and about in the community. Please be aware that all care/ support based roles involve an element of personal care, please refer to the Job Description included in your application pack for full details about the role you are applying for.

#### Why Work For Us

We can offer our employees 5.6 weeks paid holiday per year (pro-rotta) an extensive Induction Training Programme and on-hand support and guidance from an experienced member of staff when you start work, which is particularly helpful if you are new to this line of work.

Training is very important in order to equip you with the knowledge and skill to deliver quality care to our service users and we will provide you with 45 hours paid training in your first year of service. We provide additional training relevant to your role in subsequent years and access to Health and Social Care Diplomas Levels 2 & 3.

#### The Application Form

The application form is an opportunity to 'sell' yourself and demonstrate why we should shortlist you for interview; it is therefore a very important document in the recruitment & selection process.

Fill in all sections of the form, if some parts are not relevant write 'not applicable' or 'N/A', please do not leave them blank as we will assume you have simply not filled that section in.

Please ensure that you complete a full 10 year employment history with dates of employment, your employers' names and full address and account for any gaps in employment.

#### References

If you are successful and offered a position with WarrenCare, our policy is to obtain as many work based references as possible. We insist on satisfactory references from your current/most recent two employers and all social care based employment. We may request additional references depending on length of service etc.

If you have not been previously employed we may accept character references from appropriate people. This will be discussed in further detail if you are selected for interview.
